Cycle routes, Farnham to Guildford

Introduction

The **Christmas Pie Trail** is a leisure cycle route running from the northwest edge of Guildford to the east side of Farnham. The route is 8.5 miles long and is suitable for cyclists of all abilities. It has a good surface throughout and apart from short sections on very quiet lanes the route is virtually traffic free.

National Cycle Route 22 follows mainly quiet roads and bridleways to the south of the Hogs Back. Some experience of on-road cycling is necessary.
